NEW ALBUM COMING SOON

[New York, NY – July 8, 2022] Today, R&B powerhouse **SiR** drops his new single **"Life Is Good"** featuring **Scribz Riley** via **Top Dawg Entertainment/RCA Records** – **click here** to listen. Directed by **James Mackel**, the visual for the track shows the juxtaposition of *life being good*, but at the same time, things not going quite as planned and falling apart – having to take the good with the bad. This drop follows the release of his smooth R&B ballad and video for "**Satisfaction**." Both tracks will be on SiR's forthcoming album coming soon.

Speaking on his latest release, SiR shares: *"'Life if Good' represents how blessed you can be despite the hardships we sometimes face. Regardless of life's trials, the detours always lead us to learn a greater lesson."*

With the continued ever-changing and evolving landscape of R&B, SiR has remained a mainstay in the space since his debut project ***Seven Sundays*** released in 2015, followed by his ***HER*** EP series in 2016 and 2017 —***HER*** and ***HER TOO*** – that garnered widespread praise and led to his breakout sophomore

release ***November*** in 2018. He continued the momentum with the release of his critically-acclaimed classic ***Chasing Summer*** the following year in 2019 that included the singles **"Hair Down"** featuring **Kendrick Lamar,** "**John Redcorn"** and **"You Can't Save Me."** During the pandemic, SiR released one-off single **"Rapper Weed"** and his applauded rendition of **The Isley Brothers' "Footsteps in the Dark Pts. 1 &2."** Now, with the release of "Satisfaction" and "Life Is Good," SiR is ready to enter into the next phase of his burgeoning career.
