About 2CELLOS

2CELLOS have forged a signature style that breaks down the boundaries between genres of music, from classical and film music to pop and rock. As impressive when playing Bach and Vivaldi as they are when rocking out, Šulić and Hauser know no limits when it comes to performing live. They have sold out shows around the globe and also performed with Sir Elton John as part of his band, as well as opening his shows to rapturous acclaim.

2CELLOS were the first instrumentalists to be featured on *Glee*. They have also appeared multiple times on *The Today Show* and *The Ellen DeGeneres Show* in addition to *The Tonight Show*, *The Bachelor Live Wedding Special* among others. Their [self-titled](#) debut album, [IN2ITION](#) and [Celloverse](#) are available on Sony Music Masterworks.

Sony Music Masterworks comprises Masterworks, Sony Classical, Okeh, Portrait and Masterworks Broadway imprints. For email updates and information please visit www.SonyMasterworks.com.
