“For our last video from the *SCORE* album, we returned to nature and filmed this in a forest in Istria, Croatia,” said **2CELLOS**. “It was nice to pause briefly in the beautiful, peaceful surroundings and reflect on a wonderful year touring this album around the world, playing to fantastic audiences and with wonderful orchestras and string ensembles. There were chill, reflective moments in our show like this, and of course, plenty of us rocking out too! Thanks for all of the love and support. We hope to see you soon.”

About 2CELLOS

2CELLOS have established a signature style that breaks down the boundaries between genres of music, combining the most distinctive attributes of classical and film music to pop and rock. As impressive when playing Bach and Vivaldi as they are when rocking out, Luka and Stjepan know no limits when it comes to performing live. They have sold out shows around the globe, including most recently at Radio City Music Hall in New York, Royal Albert Hall in London, and Sydney Opera House in Australia. Furthermore, they’ve performed with Steven Tyler, Andrea Bocelli, Red Hot Chili Peppers, Queens of the Stone Age, and George

Michael to name a few, as well as Sir Elton John as part of his band and opening his shows to rapturous acclaim.

2CELLOS were the first instrumentalists to be featured on *Glee*. They have also appeared multiple times on *The Today Show* and *The Ellen DeGeneres Show* in addition to *The Tonight Show*, *The Bachelor Live Wedding Special*, among others. Their [self-titled](#) debut album, [IN2ITION](#) and [Celloverse](#) are available on Portrait / Sony Music Masterworks.
