philanthropist **French Montana** shares a brand new single entitled “**Wiggle It**” [feat. **City Girls**].

Bouncing between buoyant horns and a steady grind-able beat, **French** settles into a punchy pocket on the verses with quick and clever rhymes before **City Girls** “*Wiggle It*” through the sexy and slick chorus bound to soundtrack countless pool parties worldwide. Additionally, he dropped a twerk-tastic music video to accompany the track. In the visual, nosy undercover agents spy on the rappers as they host a wet and wild extravaganza in a massive mansion while the women party in their standout checkered **Fashion Nova** fits. The high point happens when **French** rocks scuba gear, dives in the water, and turns on his “*radar.*”

You have to see it to believe it...

On Friday August 23, **French** takes over the outdoor stage at the *Good Morning America* Summer Concert series in New York City’s Central Park. Expect an unforgettable show as always with a few surprises!

At the moment, he's putting the finishing touches on his new album—due soon.

“Wiggle It” feat. City Girls was **Zane Lowe’s World Record on Apple Music’s Beats 1**.

Kicking off the summer in style, **French Montana** turns up on ***The Decent Exposure Tour*** alongside headliner **Wiz Khalifa**. As direct support on a bill including **Playboi Carti, Moneybagg Yo, DJ Drama, and Chevy Woods**, expect him to deliver a set locked and loaded with one smash after another from his multi-platinum chart-dominating catalog nightly. Few can set a stage off like **French** can. Catch him in arenas and amphitheatres coast-to-coast through August 15. Get tickets [HERE](#).

For now, just *“Wiggle It”* with **French Montana**!

Some artists blur genres, but **French Montana** blurs borders. His inimitable fusion of classic East Coast rhymes, wavy pop swagger, and international ambition elevated him to the forefront of the game on a global scale. 2017 saw him ascend to superstar status with the blockbuster smash *“UNFORGETTABLE”* [feat. **Swae Lee**], which cemented him in the *“Billion Club”* for streaming and earned a quintuple-platinum certification from the RIAA. Meanwhile, his sophomore effort, ***JUNGLE RULES***, went gold and dominated the charts. At the same time, he has left an indelible mark on communities around the globe. In addition to becoming the very first rap ambassador of Global Citizen, he staunchly supported humanitarian efforts, spanning DACA, the viral *Mama Hope* #UNFORGETTABLE Dance Challenge, which raised over \$500,000-plus, and his Pan-African health and education movement into Morocco with *Care Morocco*. 2018 also saw him become a U.S. Citizen after emigrating to the South Bronx from Morocco at just 13-years-old.

If anyone can not only change music, but the world at large, it's **French Montana**.
