**12-TRACK PROJECT INCLUDES SOUGHT-AFTER MUSIC SPANNING THE
ACCLAIMED BAND'S CAREER THUS FAR**

(October 26, 2018 – Los Angeles, CA)– Today, multi-platinum alternative rock band **CHEVELLE** releases *12 Bloody Spies: B-Sides and Rarities*, a comprehensive compilation of sought-after B-Sides and rarities. The album contains music from 2002-2016, spanning their acclaimed career and remastered on one brand new collection for the very first time. Get it [HERE!](#)

Known for having one of the most devoted fan bases in rock, the band sent a letter to 12 lucky fans last month announcing the project and unlocking the first track from the coveted collection, “**Sleep Walking Elite**,” which was originally recorded during the sessions for their 2007 album *Vena Sera*. Thick, driving riffs propel the track, providing the perfect counterpoint to a hauntingly hypnotic hook and making it a quintessential **CHEVELLE** offering. The new album also includes another song from the *Vena Sera* period, “**In Debt To The Earth**,” which builds with signature Chevelle intensity and is emblematic of the passionate and diverse tracks contained in the full collection. *12 Bloody Spies: B-Sides and Rarities* serves up everything from an acoustic version of “**Sleep Apnea**” off 2009’s *Sci-Fi Crimes* to an unearthed bonus track, “**Until You’re Reformed**,” from their second album, their 2002 major label debut, the now-classic *Wonder What’s Next*. Also included is the riveting “**A Miracle**,” a song they recorded as a bonus track for their most recent album, 2016’s *The North Corridor*, which continued to explore the band’s heavier inclinations.

One of the most creatively fearless bands in hard rock, Chevelle’s *12 Bloody Spies: B-Sides and Rarities* reveals a treasure trove of under-the-radar ‘finds’ and hidden gems, as well as other enlightening musical detours that deserve to be considered alongside Chevelle’s incomparable body of work.
