## ABOUT DJ KHALED:

GRAMMY® nominated multiplatinum artist, music industry visionary, innovative influencer, mogul, and mega-producer **DJ Khaled** retains a perennial spot at the top of the global conversation. How many artists have soundtracked a *White House Correspondents Dinner* grand entrance by President Barack Obama and shared the screen with Academy® Award nominee Ray Liotta?

None, other than **DJ Khaled**...

He managed to do all of this while occupying the top of the charts. Since launching his career two decades ago, he has sold 18 million singles and 5 million albums and generated 3 billion-plus streams. His discography encompasses eight gold singles, five platinum singles, and two double-platinum singles. He landed back-to-back #1 debuts on the *Billboard* Top 200 with the gold-selling *Major Key* in 2016 and platinum-certified GRAMMY® Award-nominated *Grateful* in 2017. The latter boasted the sextuple-platinum *Billboard* Hot 100 #1 “I’m The One” [feat. **Justin Bieber, Quavo, Chance the Rapper, & Lil Wayne**] and quadruple-platinum “**Wild Thoughts**” [feat. **Rihanna & Bryson Tiller**]. His twelfth full-length album, *Father of Asahd* [**We The Best Music Group/Epic Records**], would be the “#1 Most-Streamed Record” upon release in 2019 and achieve a gold certification from the RIAA. He also runs **We The Best Music Group**, stands out as a *New York Times* bestselling author, and served as a judge on Fox’s top-rated 2018 smash *The Four*. Plus, Bono welcomed him as the first social media ambassador for *Project Red* and *Get Schooled* enlisted him as its national spokesperson.
