ABOUT TRAVIS SCOTT:

Some artists make history. Six-time GRAMMY® Award-nominated artist, designer, style icon, *ASTROWORLD Festival* curator, and Cactus Jack record label founder Travis Scott makes culture. Among dozens of multi-platinum certifications and nearly 17 billion streams since 2012, he delivered three chart-topping full-length albums—the platinum *Rodeo* [2015], platinum *Birds in the Trap Sing McKnight* [2016], and triple-platinum *ASTROWORLD* [2018]. The latter emerged as “*The Second Largest Debut Album of 2018*” and achieved the “*Biggest Sales Week of 2018*.” Proclaimed one of the “*Songs That Defined the Decade*” by *Billboard*, the seven-times platinum single “Sicko Mode” became “*the first hip-hop track to spend at least 30 weeks in the Top 10 of the Hot 100*.” It earned GRAMMY® Award nominations in the categories of “*Best Rap Performance*” and “*Best Rap Song*” as *ASTROWORLD* garnered a nod for “*Best Rap Album*.” Beyond guesting on *Ellen* and *The Tonight Show Starring Jimmy Fallon*, he starred in the NETFLIX documentary *LOOK MOM I CAN FLY*.

A groundbreaking designer sought after by everyone from Nike to Ksubi Denim and Helmut Lang, he smashed the record for “*Most Merchandise Sold in Week*,” moving one million units to date. He performed at Super Bowl 2019 and landed on President Barack Obama’s personal playlist. As of 2019, his annual *ASTROWORLD Festival* holds the distinction of being “*the largest single-day artist-curated music festival in the country*” in addition to hosting Dave Chapelle, Kanye West, Marilyn Manson, Rosalía and more. In 2019, his platform expands with the arrival of *JACKBOYS*. For the pack, Travis invited Cactus Jack Records signees Sheck Wes, Don Toliver, and artist and DJ Chase B to build a body of work based on their longstanding musical bond. He ignited this chapter with the Hot 100-topping platinum single “Highest In The Room” and promises of more to come.
