“Wave” set the stage for *Treat Myself* with a riveting music video. In the artful and minimalist clip, **Meghan** rises out of a crowd of dancers into a fiery and focused routine. It remains another creative high watermark for the songstress and stands out in a now-legendary catalog of visuals. Attracting widespread acclaim right out of the gate, [Idolator](#) notably described **“Wave”** as *“Electro-pop perfection,”* and [Billboard](#) dubbed it, *“powerfully sweeping.”*

Additionally, **Meghan** just shared a brand new *Treat Myself* song entitled **“Workin’ On It”** [feat. **Lennon Stella & Sasha Sloan**]. Uniting three of popular music’s most empowering, engaging, and enthralling voices for the first time, **“Workin’ On It”** asserts itself as a bold blockbuster collaboration worthy of headlines. **Lennon** and **Sasha** both deliver dynamic harmonies as **Meghan** takes center stage with an undeniable performance, showcasing her spirit. Comprising an intimate soundscape, handclaps and gentle acoustic strumming build towards a powerful refrain as sparse production gives way to a confessional chorus, *“I’ve been workin’ on, workin’ on it... Trying to see what you see when you look at me.”*

Recently, **Meghan** also joined the superstar coaching panel of ITV’s *The Voice UK*. She’ll be taking up a big red chair alongside Sir Tom Jones, will.i.am and Olly Murs.
