"There's a line in 'Ordinary Man' where I sing, 'I don't want to die an ordinary man,' which I don't think I will," OZZY says with a laugh.

(January 10, 2020 – Los Angeles, CA) – Rock and Roll Hall of Fame inductee and Grammy®-winning singer and songwriter **OZZY OSBOURNE** has set **Friday, February 21** as the release date for his new **ORDINARY MAN** album. Marking his first new solo music in almost **10 years**, the album has been preceded by the release of two singles, the **#1 rock track “Under The Graveyard,”** which was followed by **“Straight To Hell”** featuring **Guns N’ Roses** guitarist **Slash** (watch the video [here](#)). The album’s title track will be available instantly with any pre-order of the album. Pre-order the album [here](#).

ORDINARY MAN will be available as a standard CD, deluxe CD, black vinyl, deluxe gatefold swirl color vinyl, picture disc and digital album. In addition, all physical copies of the album will include a unique code that will allow the purchaser to enter a sweepstakes for a chance to win one of over 300 Ozzy prizes (including an official **OZZY** laminate to get into any show on the 2020 **“NO MORE TOURS 2,”** meet and greets with **OZZY**, a gift certificate to the **OZZY** global store and much more!). All details on the sweepstakes can be found at www.ozzy.com.

“It was a lot of fun to do though it’s a lot different from my other albums,” **OZZY** says of the album. “We recorded it quickly, which I haven’t done since the first Black Sabbath album. This made it a different process, which I actually enjoyed.”

Recorded in Los Angeles, the album features producer **Andrew Watt** on guitars, **Duff McKagan** (Guns N’ Roses) on bass and **Chad Smith** (Red Hot Chili Peppers) on drums. Beyond the core band, **ORDINARY MAN**, features a who’s-who of **OZZY** friends and collaborators including **Elton John**, **Post Malone**, and **Tom Morello**.

“It all just came together,” **OZZY** explains of the guest stars. “Slash is a dear friend of mine, as is **Elton**. When I was writing ‘**Ordinary Man**,’ it reminded me of an old **Elton** song and I said to Sharon, ‘I wonder if he would sing on it?’ We asked and lo and behold, he agreed and sings and play piano on the song.”
