ABOUT TOM WALKER

Tom Walker brings a whole lot of shine, soul, and spirit to popular music and culture. In doing so, the Scotland-born and Manchester-raised singer and songwriter quietly vaulted towards international stardom during 2018. His breakout single “**Leave A Light On**” achieved global sales of 2.5 million, captured #1 on iTunes in 20 countries, and went platinum in nine territories including the UK, Netherlands, France, Germany and Australia and gold in four countries. Becoming the “*6th most Shazam’ed track in the world,*” it also generated upwards of 390 million cumulative streams and 110 million video views within six months. As the song took off, he hit the stage for television performances on both sides of the pond, appearing on UK *X Factor* twice and on *The Today Show* stateside. A true live phenomenon, he entertained over 800,000 fans in 2018 between headline gigs and a high-profile tour alongside The Script. Topping off the year, he garnered the ASCAP Vanguard Award, placing him in good company with previous honorees such as Dua Lipa and Calvin Harris, to name a few. Additionally, he received a coveted BRIT Award in the category of “British Breakthrough Artist.”

Still, everything merely set the stage for his full-length debut, ***What A Time To Be Alive***, arriving March 1, 2019 via **Epic Records**. He preceded the release with an updated version of his fan favorite “**Just You And I**,” which previously racked up over 100 million streams. On the verge of a massive new year, **Walker** continues to deliver anthems with honesty and heart like only he can.
