**What The Press Is Saying About Tyla Yaweh...**

*"Tyla Yaweh is already doing big things [...] there's a pop sensibility to Tyla's music that makes it palatable to the masses..." – Pigeons and Planes*

*"...the 23-year-old rapper is clearly on his own wave and he's making music that crosses 'all genres' with a tip of positivity." – Hot New Hip Hop*

*"[His] infectious energy is a key reason Yaweh was able to win over so many people..." – Billboard*

*"Yaweh lets loose the sort of rock-tinged, trap-infused R&B that's earned him comparisons to Swae Lee... With stylistic range, a Post Malone co-sign and a sizable buzz at his back, Yaweh is all set to level up. Get to know him..."

**(MAY 7, 2019 – LOS ANGELES, CA)** – Today, rising genre-defying star **Tyla Yaweh** drops the cinematic music video for his latest single, **"High Right Now."** Watch the video [HERE!](#)

Earlier this morning, [HYPEBEAST](#) exclusively premiered the visual directed by **Sebastian Sdaigui [2 Chainz, Ariana Grande]**.

*"The song is about my life," explains Yaweh. "I'm living an ultimate high. I went from being homeless to traveling the globe with Rockstars, being able to connect and spread positive vibes to so many people."*

**"High Right Now"** proves equally intoxicating and irresistible. **Yaweh** levitates through an ornate church as gorgeous gothic ballerinas sway to the echoes of airy clean guitar and codeine-drenched trap drums. His woozy flows give way to a fiery falsetto refrain, *"I'm so high right now. I don't think I'll ever come down."* With its ominous setting, this alternative hip-hop séance casts an unbreakable spell.

A standout from **Yaweh's** new project ***Heart Full of Rage*** [London Entertainment/Epic Records], **"High Right Now"** has already cracked 8.6 million streams and counting, and currently finds him covering the coveted Signed XOXO playlist on Spotify. Meanwhile, the project as a whole recently tallied in excess of 27.5 million streams world-wide.

Right now, he continues to bring his high-energy show on a world tour alongside **Post Malone** and **Jaden Smith** in Australia, having recently wrapped a European arena run supporting **Malone** himself. **Yaweh** recently shared an explosive performance video of **"High Right Now"** live from Europe, which can be viewed [HERE](#). At the end of May, he returns stateside for a series of high-profile festival spots over the Summer and Fall, including **Governors Ball** (Bud Light Dive Bar Sessions), **Bonnaroo**, **Firefly**, **Lollapalooza**, **Life is Beautiful** and more. Additionally, he is confirmed for a slew of European sets, including the iconic **Reading and Leeds**. Check out the confirmed itinerary below.

All signs point to a major breakthrough for **Tyla Yaweh**. One hit of ***Heart Full of Rage***, and you'll be hooked. Get it [HERE](#).
