Last week, he primed fans for the arrival of the full-length with the single “**Malice**” [feat. **Ben Zaidi**]. Fortified by airy keys and acrobatic wordplay, the track staked out a spot on Spotify’s coveted “*New Music Friday*” as [HotNewHipHop](#) declared it “*new heat.*” It remains just one of many standouts on **Reckless Endangerment** though. Watch the cinematic visual for the song [HERE](#).

The album commences with the plink of an out-of-tune piano that bleeds into church organ on “**Duality**” as **Travis** raps with focus, flair, and fire. It follows a personal thread as he examines depression and darkness on the somber, yet soulful “**Mad Mad World.**” Meanwhile, he delivers one of the most intriguing and inimitable collaborations of the year by way of “**Glass Ceiling**” [feat. **Macklemore, Sir Mix-A-Lot, & Prometheus Brown**]. Over ominous production, these four MC’s initiate a head-spinning lyrical crossfire. He gets confessional on “**Pray For Me**” before delivering tightly wound rhymes over stark and simple scoring on “**Don’t Run**” [feat. **A-Trak**]. Everything culminates on the title track “**Reckless Endangerment**” where his delicate delivery echoes above acoustic guitar and horns before the powerful refrain, “*Maybe one day we can live again.*”

To celebrate the release, tonight Travis will take the stage at the **Showbox** in **Seattle, WA**, giving die-hard fans the first live taste of the album. **ADÉ** and **Nyles Davis** are set to join as special guests. Recently, he revealed the details for a pair of headline gigs across coasts: he takes the stage at the **Moroccan Lounge** in **Los Angeles** on **October 6** and **Kitting Factory** in **Brooklyn, NY** on **October 17**. Tickets can be purchased at [ambaumbld.com](#).

Reckless Endangerment follows up his **RUNAWAYS EP**, which tallied over 20 million Spotify streams and garnered tastemaker praise. [Earmilk](#) wrote, “*Thompson is confident in his sound and rightfully so, this young rising rapper strapped with verbal dexterity, wide-ranging vocal control, and multisyllabic rhyme schemes. Sonically, he can be compared to a more aggressive, quirky **Chance the Rapper**; lyrically, he toys with a poetic variety of subjects.*”

Hailing from the suburbs of Burien, WA, buzzing rapper **Travis Thompson** threads together emotionally charged and evocative stories with each and every rhyme. He blasted onto the mainstream radar during 2017 after earning the endorsement of fellow Pacific Northwest titan **Macklemore** who invited him to open up a sold-out North American tour and duet on a seminal performance during *The Tonight Show Starring Jimmy Fallon*. Capitalizing on this momentum, he rolled tape on his 13-track independent full-length **YOUGOOD?** and accompanying feature-length film. Appropriately, it premiered at a sold-out movie theater in his hometown. Along the way, “**Need You**” eclipsed 5 million Spotify streams with numerous other songs crossing the one-million mark. 2019 sees him positioned for stardom with a new deal for **Epic Records**, his **RUNAWAYS EP** and full-length debut, **Reckless Endangerment**.
