LYRICS:

Yours or Mine  
Joey Hendricks/Daniel Ross/Michael Whitworth (BMI/SESAC)

Whose head turned first when we locked eyes in this dim lit dive  
I say it's yours  
You say it's mine  
Whose hand reached first when you dropped your purse on that hardwood floor  
You say it's yours  
But I say it's mine

We've danced, but we're dancing 'round it  
We've talked, but not about this  
Do you wanna find out  
What I wanna find out

Who, whose arms gonna wrap around who  
Whose place are we headed back to  
Somebody's lips gotta be the first to cross that line  
Who says only fools rush in  
Whose bed are we waking up in  
Whose heart will take it harder when we say goodbye  
Yours or mine  
Yours or mine

Whose phone gonna buzz tomorrow with a text, says "I had a great time"  
I say it's yours  
But I'm hoping it's mine  
Whose friends ain't gonna let it go, say "you didn't come home last night"  
If it ain't yours  
It's gonna be mine

Who, whose arms gonna wrap around who  
Whose place are we headed back to  
Somebody's lips gotta be the first to cross that line  
Who says only fools rush in  
Whose bed are we waking up in  
Whose heart will take it harder when we say goodbye  
Yours or mine  
Yours or mine

If that smile says you're in it  
Then I don't wanna waste a minute  
So do you wanna find out  
What I wanna find out

Who, whose arms gonna wrap around who  
Whose place are we headed back to  
Somebody's lips gotta be the first to cross that line  
Who says only fools rush in  
Whose bed are we waking up in  
Whose heart will take it harder when we say goodbye  
Yours or mine  
Yours or mine
