

**BECKY G JOINS JASON DERULO'S *TALK DIRTY* TOUR
SINGLE "SHOWER" SOLD OVER HALF A MILLION UNITS**

(Los Angeles, CA) – Becky G will join Jason Derulo's *Talk Dirty* tour which kicks off on October 21st at the Starland Ballroom in New Jersey and wraps on November 2nd at the Fillmore in Miami. Becky's latest single "Shower" has sold over half a million units. Her performances of "Shower" on NBC's Today Show and FOX's Teen Choice Awards earned her high praise. "Becky G was the youngest performer on the 2014 Teen Choice Awards stage, but you would never know it from her awesome-beyond-her-years performance of 'Shower'. Becky G worked that stage like nobody's business, singing her heart out and flaunting some seriously killer dance moves." (PopCrush)

The music video for "Shower" premiered earlier this summer and was presented exclusively in partnership with COVERGIRL. Check out the video [here](#). The video was directed by Tim Nackashi and shot in Los Angeles. "Shower" is produced by Dr. Luke & Cirkut for Prescription Songs and written by Becky G, Dr. Luke, Rock City (Theron Thomas & Timothy Thomas) and Henry Walter.

Becky is one of COVERGIRL's newest and youngest faces who won "The Best New Artist" award on Radio Disney Music Awards. She has also scored her first #1 single "Can't Get Enough" feat. Pitbull on Latin Billboard Charts. Additionally, Becky wrapped her first major support tour with Austin Mahone and appeared on the cover of the April/May issue of *Girls' Life Magazine*.

Becky G is a 17-year-old singer, songwriter, and rapper who is signed with Kemosabe / RCA Records. Kemosabe is the Sony Music Entertainment record label founded by hitmaker Dr. Luke. She is currently in the studio finishing her debut album. Check out Becky on tour opening for Katy Perry on select dates on Perry's "Prismatic" tour in October.
