(New York, NY – July 7, 2015) Critically-acclaimed Swedish recording artist **Tove Styrke** has premiered the music video for her album track "**Number One**" on *Complex*. [Click Here to Watch "Number One" now on Vevo.](#)

The video release follows the release of Tove's U.S. debut album ***Kiddo*** last month via **RCA Records/ Sony Sweden**, which has already been added to 'Best of 2015' lists including *Pigeons and Planes* and *TIME*. The album features Styrke's first U.S. single "**Borderline**" which held the #1 spot on *Hype Machine's 'Popular Chart'* upon release and is certified gold in Sweden, in addition to "**Ego**" which was recently listed on *Entertainment Weekly's 'Must List'* and given a shout out by fellow Swede, Tove Lo, who said in *Marie Claire Magazine*, "If you wake up and feel a bit angry, you'll be happy after this." Critics have also pointed to "**Number One,**" which was just named one of *Pigeons and Planes'* best songs of the month.
