Hot on the heels of the release of his debut RCA single, "[So F**kin' Romantic.](#)" and his summer-kissed Ibiza run, RCA Records releases a remix collection of the single simply-titled **"SO F**KIN' ROMANTIC" THE REMIXES**, featuring remixes by MOTi, The Knocks and Tim Gunter . In addition, Matthew released the official lyric video for "So F**kin' Romantic" this week. Click [HERE](#) to watch it now. As a songwriter, vocalist, producer and DJ, Koma is virtually an unmatched triple threat when it comes to crafting hooks. Doing what they do best, the remixers put their own unique spin on Koma's smirk-wearing verses with infectious, feel-good, melodic word play.

Dutch prodigy, MOTi, transforms the original into an electrifying progressive house anthem. New York's very own The Knocks provide a full-on discotheque-inspired, summery indie-dance touched cut. Tim Gunter puts a complete 180 spin on "[So F**kin' Romantic](#)" with a chilled-out trap, future pop inspired version to round out the package.

About Matthew Koma:

With 8 Beatport #1s, 4 Billboard Top 10s, and a #1 *Billboard* single GRAMMY-award winning song "Clarity" which he co-wrote with Zedd, there is little question why *Entertainment Tonight* named Matthew Koma "the Man with EDM's Golden Touch."

The genuine hitmaker burst onto the scene with Zedd's "Spectrum" and "Years" by Alesso, featuring and co-writing on both, as well as writing Sebastian Ingrosso and Alesso Feat. Ryan Tedder's "Calling (Lose My Mind)."

Since then, Koma has been the mastermind behind various chart topping hits by DJ Mag #1 DJ Hardwell on his anthemic "Dare You," Tiesto's "Wasted," Zedd's "Find You," and Showtek's "Cannonball (Earthquake)," which landed at #1 on UK Dance Charts. The genre-bending artist has also featured and co-written with Giorgio Moroder, Steve Aoki, Afrojack, Sebastian Ingrosso, Fedde Le Grande, Audien, Dimitri Vegas & Like Mike, and more.

It has been a busy year for one of the industry's most sought out songwriters and producers. So much so that RCA's Britney Spears has called him for his talents, as well as other RCA recording artists including Kelly Clarkson, Gavin Degraw, Giorgio Moroder, Brooke Candy, Tinashe and Hillary Duff, to name a few. Proving to be more than just a pop-EDM talent, the Seaford born songwriter/producer is currently working with country mega star Shania Twain for her highly-anticipated comeback album. Koma also remixed Bruce Springsteen's "Rocky Ground," which The Boss chose as his radio/video single.

Koma's music has been featured in Bud Light's Super Bowl XLVIII commercial, as well as movies and shows such as *Divergent* and *22 Jump Street* among others.

Anyone lucky enough to catch one of Matthew Koma's solo sets has felt the passion and raw emotion he gives each and every night. Koma has already played the world's largest festivals including Coachella, Ultra Music Festival, iTunes Festival London as well as EDC Las Vegas, and he's only getting started. When not playing on a massive festival stage, the headlining DJ/producer can be seen in Las Vegas at his Wynn Residency, and has graced many notable parties at London's Ministry of Sound, Halo in Germany, and Pacha New York and Dubai, to name a few. This summer he will be making his hometown debut at Hollywood's Create Nightclub, as well as headlining club nights in San Francisco, Denver and Austin.
