Today, Norwegian superstar, Kyrre Gørvell-Dahl, a.k.a. Kygo, releases his long awaited debut album entitled *Cloud Nine* via Ultra Records/RCA Records. The album features mega hits such as “Stole The Show (feat. Parson James)”, “Firestone (feat. Conrad Sewell)”, and a number of highly anticipated unreleased tracks.

The *Cloud Nine* album artwork was designed by French-born, Los Angeles-based filmmaker and street artist, Mr. Brainwash, who also designed Kygo’s Barclays Center show poster.

*“With slow-flow pulses and blears of reverb, Cloud Nine triangulates the downtempo of the Nineties, the chillwave of the Aughts and our current appetite for deep house – a sound at once modern and nostalgic.”*
