Last year Era’s release “Njo si ti” gained worldwide traction with over a million views on YouTube in a week, and her release “Shumë pis” became an instant summer hit. Era received praise for her latest single “Bonbon” with Billboard noted, “...Bonbon swiftly went viral [...] piloted by a reggae aesthetic akin to Major Lazer, Istrefi’s voice drew frequent comparisons to pop stars Rihanna and Sia” Popcrush also said, “the buildup culminated in January 2016, when the singer-songwriter released “BonBon,” an EDM banger with

tropical beats and Eurodance appeal, not so far removed from the pulsating club works of Cascada or Basshunter.” With her quick rise to fame overseas with and the release of the English version of “Bonbon”, there is no doubt this Albanian songstress is a guaranteed hit maker.
