Colony House recently revealed the first track and video from the album entitled [“You Know It”](#) to announce their album, which premiered on *Consequence of Sound* who described their sound as “twangy surf pop.” [Click Here](#) to check it out. The video was co-directed by lead singer/guitarist/songwriter Caleb Chapman and Ry Cox. [“You Know It”](#) is currently getting play on Sirius XM’s Alt Nation and since its reveal, has over 350k streams on Spotify. *Baeble* writes of “You Know It”- “Calling a song a “summer jam” is cliché but when I listened to “You Know It” from Tennessee-based indie rock band Colony House, I seriously asked myself, “Could this be *the* song of the summer?” It’s a carefree track with guitars flailing everywhere. A bit reminiscent of Vampire Weekend, there are a ton of retro, beachy moments.”

ONLY THE LONELY is the follow up to Colony House's debut album *When I Was Younger* which featured their single "Silhouettes," which has enjoyed over 8 million streams on Spotify and was the #1 most played track on Sirius XM's Alt Nation for four months straight. The band has previously performed on [CONAN](#), [Late Night with Seth Meyers](#) and [VH1 "Big Morning Buzz,"](#) and has been featured by [NPR Music](#), [Wall Street Journal](#), [People Magazine](#), and [Noisy](#), among many others.

Colony House is brothers Caleb Chapman and Will Chapman, Scott Mills, and Parke Avery.
