Emmy-award nominated choreographers Rich+Tone, who oversee all of *The Get Down* choreography, release their captivating collaboration with Yanis Marshall on a dance video for Christina Aguilera's "Telepathy." Rich+Tone are best known for creating some of the most compelling music video and award show dance routines for the likes of the late Michael Jackson, Madonna, Usher and Chris Brown, amongst others. Yanis Marshall originally got his start on the 2014 season of *Britain's Got Talent* and since has been featured on *Dance Moms* in the US and recently revamped and re-choreographed Cirque du Soleil's *Zumanity* show in Las Vegas.

“Telepathy” is from *The Original Soundtrack to the Netflix Original Series* which *Entertainment Weekly* describes as “packed with soaring strings, sky-high vocals, funky drums, and a wall of lushly-layered horns.” *USA Today* proclaims that Christina’s “Donna Summer-by-way-of-Mariah Carey performance is one of her best in recent memory.”
