Members of MUNA, Katie Gavin (lead vocals/production), Naomi McPherson (production/guitar/synths/vocals), and Josette Maskin (lead guitar/vocals), have written and self-produced all of their own music to date. Following their outstanding performances at this year's SXSW, they released their first-ever music video for "Winterbreak" (Click [HERE](#)), which is the first song off of their debut EP entitled *The Loudspeaker EP*, out now via RCA Records. MUNA, is set to release their highly anticipated debut album entitled *About U* on February 3rd and is available for pre-order now. The album pre-order includes four instant grat tracks, including their latest single "Loudspeaker" (Click [HERE](#)). They also just made their television debut performing "Loudspeaker" on *The Tonight Show Starring Jimmy Fallon* (Click [HERE](#)). Additionally, MUNA has been featured on *Noisey*, *Ladygunn*, *Nylon*, *V Magazine*, in *Flood Magazine*, and more. The band performed at this year's Lollapalooza, and has previously toured with BØRNS, Miike Snow, Of Monsters and Men, St. Lucia, and recently wrapped up their tour with Grouplove.
