(New York -- April 7, 2017) Acclaimed DJ and producer **DJ Cassidy** returns with an infectious new single, **“Honor,”** featuring **GRACE & Lil Yachty**. The track is available everywhere today via **RCA Records** - click [HERE](#) to listen. Together, the combination of Cassidy’s unparalleled production style, with powerhouse vocals from GRACE and an insightful feature by Lil Yachty, they operate harmoniously to produce a seductive, hypnotic track.

Stripped, minimal and mysteriously darker than his previous singles, **“Honor”** maintains Cassidy’s signature groove and funk, while breaking the orchestration down to its core. Having paired unlikely artists together on a string of releases including **Robin Thicke, Jessie J, Earth Wind & Fire, R. Kelly** and **Chromeeo**, Cassidy strikes again, uniting Australian soulstress, **GRACE**, with “bubblegum trap” star **Lil Yachty**.

“GRACE’s voice is so soulful and so powerful, it exudes greater emotion with less music,” Cassidy reflects. “Yachty represents not just a new voice of a generation, but a new aesthetic. I am honored to have them both on this record. Pun intended.”

The release of “**Honor**” follows DJ Cassidy’s series of standout single releases, including “**Kill the Lights**,” which features **Jess Glynne**, **Alex Newell** and iconic guitarist **Nile Rodgers**. The song reached **#1** on the **Billboard Dance Chart** and **Top 20** on **Spotify**. DJ Cassidy also recently produced a cover of **Tom Tom Club**’s classic, “**Genius of Love**” which featured Tinashe for a national Target commercial, and the effervescent pop-funk track “**Future is Mine**” featuring **Chromeo** which debuted via [Pitchfork.com](https://pitchfork.com).
