

## LUKE CHRISTOPHER RELEASES DEBUT STUDIO ALBUM *TMRWFRVR* TODAY

### FIRST SINGLE “WATERFALLS” HAS OVER 1.3 MILLION STREAMS ON SPOTIFY

(July 28, 2017 – New York, NY) Rapper/singer/producer **Luke Christopher** releases his highly anticipated debut studio album *TMRWFRVR* today via ByStorm Entertainment / RCA Records. The 15-track album was written and produced by Luke and features first single, “[Waterfalls](#)” as well as his popular track, “[Lot To Learn](#),” which has received over 206 million streams worldwide and over 12.2 million video views.

Over the course of the past month, Luke has been releasing tracks and visuals from the album, which has garnered significant press coverage. *Idolator* stated, “Every track from debut LP *TMRWFRVR* has been fire,” while *HotNewHipHop* said, “Luke Christopher is one of the more versatile artists we’ve seen in recent time and he continues to impress in delivering beautiful ballads as well as slick, verse-heavy hip-hop music.” Since its release in June, “[Waterfalls](#)” has over 1.3 million streams on Spotify and had *HYPEBEAST* raving, “Luke’s album is highly anticipated, as his ability to meld his singer/songwriter skills, rapping ability, and music production seamlessly throughout his work are all highly evident in the track.”

Whether it be rapping, singing and producing his own music, or producing and writing for the likes of some of music’s most profound artists, the 24-year-old Los Angeles-native can do it all. Growing up in the San Fernando Valley, music always surrounded Luke Christopher. At a young age, his father turned him on to the likes of Elton John, U2, Michael Jackson and Stevie Wonder while he also discovered hip-hop with Tupac’s *All*

*Eyez On Me*. From here, he taught himself how to rap, sing and compose beats and by the age of 17, he was ready to be properly heard. Major labels clamored for his soulful and emotionally expansive style, leading to his signing with ByStorm Entertainment/RCA Records in 2013. Soon after his signing, he dual-released his two EPs *TMRW* & *YSTRDY*, which garnered the critically acclaimed rapper/singer/producer significant press coverage and praise from *Billboard*, *The Fader*, *Interview Magazine*, *Vibe*, *Teen Vogue*, *The Source* and more.
