About Superfruit:

Superfruit launched in August 2013 and has since amassed more than 350 million views of their music and comedy videos. Their musical content has ranged from artist medleys - their [Beyoncé medley](#) was hailed “Flawless” by Huff Post and endorsed by Beyoncé herself - to one-take theatrical performances, such as their [Frozen](#) and [La La Land](#) medleys. BuzzFeed declared that “Superfruit has turned your hip-hop faves into Broadway Masterpieces” with their “[Hip Hop Goes Broadway](#)” videos, the first garnering nearly 9 million views. Superfruit released an animated video featuring their original song “Bad 4 Us” last October, which was praised by Perez Hilton as “a disco soul jam!”

As members of Pentatonix, the 3x Grammy winners have sold more than 6 million albums in the U.S. alone, received a Daytime Emmy nomination, starred in their very own Christmas Special and performed for hundreds of thousands of fans at their sold-out shows across the globe. Their YouTube channel boasts over 13 million subscribers, yielding over 2.5 billion video views. Their RIAA certified gold self-titled album debuted at #1 on the Billboard 200 chart while *That’s Christmas To Me* has been certified double platinum and *A Pentatonix Christmas* certified platinum.
