[New York, NY – August 25, 2017] Today, RCA Records announces the signing of 26-year-old Atlanta producer, **London On Da Track** as a recording artist. “No Flag,” reunites London with 21 Savage and marks his first time working with Nicki Minaj and Offset.

On the release of his debut single and signing with RCA Records London says: “I feel great signing to RCA. I gave them my vision and they believe in my vision and we’re about to take it to another level! My transition from being a producer to an artist is taking me back to my roots and doing what I used to do as an artist in Atlanta when I was a teenager. So, now that I get to be in both worlds, as a producer and artist, I can brand myself in an equivalent way. I’m ready to show the fans my versatility and working with Nicki, 21 Savage and Offset on “No Flag” kicks this off right!”

London also announces today his “No Flag” Tour, which will include a series of club dates and DJ sets kicking off on September 15th in Vancouver at Fortune Sound Club, making stops in New York City, Miami, Atlanta, Los Angeles and more before wrapping in San Francisco on October 28th. This tour will follow festival sets at North Coast Music Festival in Chicago on September 1st and Made In America in Philadelphia on September 2nd.
