H.E.R. announces “The Lights On Tour” hot off the heels of wrapping supporting dates on Bryson Tiller’s “Set It Off Tour.” H.E.R. excited audiences across the country with her gorgeous vocal performances, which *Billboard* described, “H.E.R belted out each song with fervor and confidence... [with] indelible vocal runs... [a set] chock-full of sultry, slow-burning melodies.” *Vortex Magazine* raved, “Her talent

behind the mic is no secret; however, what stood out most was her multi-instrumental abilities...even the short set stunned the crowd and had some begging for a few more songs..."

Fans will be able to hear more songs on the digital deluxe release of *H.E.R.* on October 20th. The deluxe streaming edition will include five new tracks, plus the beautiful duet "Best Part" with Daniel Caesar. *H.E.R.* will be available for pre-save at Spotify and pre-order at Apple Music on October 6th.

H.E.R. Vol. 1 made iTunes' Best of 2016 R&B/Soul Albums list while the track "Losing" made the Best R&B/Soul Singles list. [NPR](#) also listed the EP in their "5 Essential R&B Albums You Slept On" roundup. **H.E.R.** has been included in [Rolling Stone's](#) March 2017 roundup of "10 Artists You Need To Know" and [Forbes'](#) "5 Alternative R&B Artists To Look Out For In 2017." Since the September 2016 release of *H.E.R. Vol. 1*, which peaked at #1 on the iTunes R&B/Soul Albums chart, the impact of **H.E.R.**'s music has even reached Rihanna, who posted an Instagram clip of **H.E.R.**'s hypnotic song "Focus" playing in the background. The slow motion clip has been viewed over 5 million times, catapulting the mysterious *H.E.R. Vol. 1* back to #1 on the iTunes R&B/Soul Albums charts.

In June 2017, H.E.R. released *H.E.R. Vol. 2 EP*, which features the standout track "Every Kind Of Way." *Rolling Stone* included the EP in their "10 Albums To Stream Now" explaining, "[it] combines future-tense R&B with disarmingly honest lyrics and impeccable production."
