On the heels of receiving over 15 million Spotify streams on his single “Heartline,” as well as winning the sixth MOBO Award in his career for Best R&B/Soul Act this week – Craig announces the release of his new single “**I Know You**” ft. **Bastille** from his forthcoming seventh studio album, ***The Time Is Now***. Due out **January 26th, 2018**, the album, which is available to pre-order now, includes collaborations with JP Cooper, AJ Tracey, Ella Mai, Kaytranada and GoldLink.

The brilliant new single, "I Know You" sees Craig team up with alt-pop giants, and great friends **Bastille**. On the track, Craig says, ***"I've been a Bastille fan for a long time and we've been waiting for the right moment to collaborate. I'm so excited to release this track and hope you love it as much as I do. Hearing Dan's voice on this kind of record is a special moment, when we perform this live its going to absolutely go off, and I can't wait to play it in my TS5 set this summer."***

Dan from Bastille says, ***"We've always been huge fans of Craig's music and have become mates over the past few years after playing some shows together, so writing a song together in the studio felt completely natural. We had so much fun making 'I Know You' together, and I'm excited for everyone to hear it."***

Over the past six months, Craig completed a ten-week, sold-out TS5 Pool Party residency at Ibiza Rocks Hotel and performed three sold-out UK live dates, including a date at London's iconic Brixton Academy. Craig also recently announced his first TS5 US tour for January 2018, which will make stops in major cities including New York, Los Angeles, Las Vegas and more.
