[New York, NY – December 12, 2017] Grammy® Award-winning singer/songwriter **Miguel** debuts at **#1 on the Billboard R&B Albums chart** with his critically acclaimed album *War & Leisure*. Hailed by *Paper* magazine as “the ultimate mixer of R&B, funk, electronic, pop and rock..., perhaps his most dynamic and upbeat album yet,” and *Time* magazine as “a statement about seeking refuge from the world in the comforts of love,” *War & Leisure* also claims the #9 spot on the Billboard 200 chart. Released December 1 via **ByStorm Entertainment/RCA Records**, *War & Leisure* marks Miguel’s third #1 debut on the Billboard R&B Albums chart.

The mesmerizing 12-track project is a meditation on the duality of our times that Miguel has described as his "most upbeat" album, equipped with features from **J. Cole, Rick Ross, Travis Scott, Kali Uchis, Salaam Remi, and QUIÑ**. *Rolling Stone* calls the album "...a space where psych-funk splendor coexists with deep anxiety," while *Entertainment Weekly* explains that Miguel "... is as sensual as ever on his lush fourth album, which continues his inspired fusion of genres ranging from R&B to rock to electronic music." Miguel's first single "**Sky Walker**" featuring **Travis Scott** has garnered **over 100M streams** worldwide making it **RIAA Certified Gold**.

In support of the release, Miguel will embark on a **35 date *War & Leisure Tour***, kicking off **February 22nd in Portland, Oregon**, hitting major markets in the US and Canada throughout the Spring and concluding on **April 12th in Berkeley, CA**. **TDE's SiR & NonChalant Savant** will join Miguel on the road as opening acts for all North American dates. **Tickets are currently on sale and VIP packages (and VIP upgrades) can be ordered at officialmiguel.com**. Every online pair of tickets purchased includes one physical or digital copy of *War & Leisure*.
