About SZA

The most nominated woman for the 2018 Grammy® Awards, SZA has earned a total of five nominations in the following categories: Best New Artist, Best R&B Song – “Supermodel,” Best Rap/Sung Collaboration “Love Galore” feat. Travis Scott, Best Urban Contemporary Album – *Ctrl*, Best R&B Performance – “The Weekend.” Her TDE/RCA debut album *Ctrl* has landed on several best of 2017 lists, including the #1 spot on *Time*, *Associated Press* and *Noisey*; and top 5 on *New York Times*, *NPR*, *Entertainment Weekly*, *Complex*, *Stereogum*, and more. Released June 9, 2017, *Ctrl* entered at #1 on the Billboard R&B Albums, #2 on R&B/Hip-Hop Albums and #3 on the Billboard 200 albums charts. With over 931 million streams worldwide to date, *Ctrl* is RIAA certified Gold, while her widely popular single “Love Galore” feat. Travis Scott, is certified Platinum. Currently on her headlining “Ctrl Tour,” SZA continues to mesmerize fans with her electrifying live and televised performances on *Saturday Night Live*, *Tonight Show Starring Jimmy Fallon*, *Jimmy Kimmel Live*, *2017 BET Awards* and more.

About Calvin Harris

Grammy Award-winning record producer, songwriter and DJ, Calvin Harris stands as the figurehead for modern dance music, having broken world records and dominated global music charts. In June 2017, he released his highly anticipated fifth studio album *FUNK WAV BOUNCES VOL. 1.*, which earned him a Grammy® nomination for Producer of the Year at the upcoming 2018 Grammy® Awards. Global audio and video streams from all tracks from the album has reached (an incredible) 2,209,776,785 (that’s over 2 billion). In the US, *FUNK WAV BOUNCES VOL. 1.* has been certified gold and includes 3x certified singles so far (“Slide Ft. Frank Ocean & Migos” 2X Platinum, “Feels Ft. Pharrell Williams, Katy Perry & Big Sean” Platinum, and “Rollin Ft. Future & Khalid” Gold). To date Harris has sold over 10 million albums and 35 million singles worldwide, with 8.5 billion combined audio streams and 7.9 billion combined video streams, making him one of the most viewed artists on YouTube & Sony’s biggest streaming artist approaching 17 billion audio & video streams in his career history.
