(New York, New York – January 3, 2018) – Ten time Grammy® winner and four time Emmy® winner Justin Timberlake is set to release his fourth studio album, *Man of the Woods* on February 2<sup>nd</sup> via RCA Records. The album will be available for pre-order alongside the release of his brand new single and music video, "Filthy" on January 5<sup>th</sup>. *Man of the Woods* marks Timberlake's most ambitious album to date, both sonically and lyrically. The dance heavy video features Timberlake as a modern day inventor presenting his latest creation to the world. This is the second time Timberlake and Romanek have teamed up for a one-of-a-kind video.

Following “Filthy” and leading into the February 2<sup>nd</sup> *Man of the Woods* album launch, Timberlake will release three additional music videos, each with their own individual style and color from three different directors.
