“Over the last few years, Nashville’s Moon Taxi have worked their way up from Bonnaroo buzz-band to something approaching Kings of Leon country, playing a pleasingly cross-bred rock – a little indie, a little proggy, kinda poppy.” – *Rolling Stone*

“Moon Taxi a jam band – that is, if its instrumental excursions weren’t so concise, carefully thought-out and frequently refined in the years they’ve spent touring.” – *NPR*

“Spacious rock, that’s begging to fill huge venues.” – *MagnetMagazine.com*

“Sing-along songs and catchy, jam-worthy interludes.” – *Noisey*

“Moon Taxi evolves from ‘college project’ to rock stars.” – *The Tennessean*

“A band that’s moving forward by leaps and bounds.” – *PopMatters*

**New York, NY – January 3, 2018** – Tying into the release of their upcoming album, Nashville’s own alt-rock-five-piece band **Moon Taxi** will be performing their hit single **“Two High”** on **January 12, 2018** on **The Today Show/ Megyn Kelly TODAY**. The song is a global streaming hit, reaching **#1 at Triple A Radio**, is being played on Sirius XM’s *The Spectrum, Alt Nation* and *Jam On*, and has garnered over **72 million streams on Spotify alone**.

The single is off the band’s highly anticipated fifth studio album, **Let The Record Play**, out **January 19, 2018** via **RCA Records**. Along with “Two High,” the songs **“Good As Gold”** and **“Let The Record Play”** are available as instant grat tracks when fans preorder the upcoming album. “Good As Gold,” the most recent instant grat track, has already become a fan favorite with **over 1.5 million streams on Spotify** in less than a month. *Let The Record Play* is a triumphant moment of rock-pop exploration that proves that Moon Taxi is a rare band that can address the temperature of our turbulent times while also providing the euphoric musical escapism we so badly need. **Produced and mixed by Spencer Thomson (the band’s guitarist)**, *Let The Record Play* is a document of one of the most creative bands to emerge from Nashville’s immensely fertile landscape – and one that has been thriving on the festival scene for years, bringing their electric performances to Coachella, Austin City Limits, Bonnaroo and beyond. Beloved enough in their hometown to sell out two nights at the famed Ryman Auditorium this past October, this LP, their RCA Records debut, is certain to catapult them even higher.

**Trevor Terndrup** (vocals, guitarist), **Spencer Thomson** (guitarist and producer), **Wes Bailey** (keyboardist), **Tommy Putnam** (bassist) and **Tyler Ritter** (drummer) also recently announced the **Let The Record Play** tour, starting in February. See below for upcoming shows.
