Co-mingling seductive R&B, edgy pop, and a nocturnal electronic sensibility, Los Angeles, CA based Tinashe emerged as a fascinating, focused, and fiery outlier in 2014 with her full-length debut *Aquarius*. Powered by the double-platinum smash “2 On” [feat. Schoolboy Q], the album crashed the Top 20 of the *Billboard* Top 200 upon arrival before popping up on year-end lists by *Pitchfork*, *Rolling Stone*, *Cosmopolitan*, *Stereogum*, *The Guardian*, *Vulture*, and so many more. Between touring alongside everyone from Katy Perry and Nicki Minaj to Maroon 5, she revved up the official mixtape *Nightride*. *Rolling Stone* and *Fuse* both proclaimed it among the “20 Best R&B Albums of 2016.” Along the way, she graced the covers of *Complex*, *V*, *Dazed*, and *Nylon* in addition to turning up with unforgettable performances on *The Tonight Show Starring Jimmy Fallon*, *Conan*, and *Jimmy Kimmel LIVE!* Tinashe’s rise to conquer the industry has been limitless and an exciting one. Not bound by anyone’s box or idea of who/what Tinashe means, she embraces the gray area and continue to prepare the next chapter of her story.

Buckle up for a joy ride...
