**February 12, 2018 – Los Angeles, CA – TINASHE** has today released the second offering from her upcoming project called “**Faded Love**” featuring **Future** – [listen to the gorgeous track now](#). This isn’t the first time the two powerhouses have joined forces, the last time being “How Many Times” on the singer/producer’s debut album, *Aquarius*. The hauntingly beautiful track hits hard with its Stargate-produced beat and Future’s verse only softened by Tinashe’s vocal and melody work. “Faded Love” comes hot off the heels of her recently released single, [“No Drama”](#) featuring Offset.

Co-mingling seductive R&B, edgy pop, and a nocturnal electronic sensibility, Los Angeles, CA based Tinashe emerged as a fascinating, focused, and fiery outlier in 2014 with her full-length debut *Aquarius*. Powered by the double-platinum smash “2 On” [feat. Schoolboy Q], the album crashed the Top 20 of the *Billboard* Top 200 upon arrival before popping up on year-end lists by *Pitchfork*, *Rolling Stone*, *Cosmopolitan*, *Stereogum*, *The Guardian*, *Vulture*, and so many more. Between touring alongside everyone from Katy Perry and Nicki Minaj to Maroon 5, she revved up the official mixtape *Nightride*. *Rolling Stone* and *Fuse* both proclaimed it among the “20 Best R&B Albums of 2016.” Along the way, she graced the covers of *Complex*, *V*, *Dazed*, and *Nylon* in addition to turning up with unforgettable performances on *The Tonight Show Starring Jimmy Fallon*, *Conan*, and *Jimmy Kimmel LIVE!* Tinashe’s rise to conquer the industry has been limitless and an exciting one. Not bound by anyone’s box or idea of who and what Tinashe means, she embraces the gray area and continue to prepare the next chapter of her story.

Buckle up for a joy ride...
