"Over the last few years, Nashville's Moon Taxi have worked their way up from Bonnaroo buzz-band to something approaching Kings of Leon country, playing a pleasingly cross-bred rock - a little indie, a little proggy, kinda poppy." – **Rolling Stone**

"Their musicianship remains tight, intricate and top-notch" – **Associated Press**

"Moon Taxi fearlessly melds rock with pop hooks, clever synths and roots touchstones gleaned from their home in Music City." – **Parade**

"The Nashville band makes a bold step forward with their latest release, carefully bending roots, rock, pop, and well-crafted jams into one cohesive and grown-up record." – **Yahoo**

"Moon Taxi a jam band — that is, if its instrumental excursions weren't so concise, carefully thought-out and frequently refined in the years they've spent touring." – **NPR**

"Sing-along songs and catchy, jam-worthy interludes" – **Noisey**

New York, NY – February 12, 2018 – Nashville's own alt-rock-five-piece band **Moon Taxi** releases the video for their song "**Not Too Late**" via RCA Records. Following the lives of three different characters – each overcoming their own obstacles - the video perfectly captures the song's yearning lyrics and '80s inspired guitar and shows that it's never too late to achieve the impossible. Let The Record Play is a triumphant moment of rock-pop exploration that proves that Moon Taxi is a rare band that can address the temperature of our turbulent times while also providing the euphoric musical escapism we so badly need. **Produced and mixed by Spencer Thomson (the band’s guitarist)**, *Let The Record Play* is a document of one of the most creative bands to emerge from Nashville’s immensely fertile landscape – and one that has been thriving on the festival scene for years, bringing their electric performances to Coachella, Austin City Limits, Bonnaroo and beyond. Beloved enough in their hometown to sell out two nights at the famed Ryman Auditorium this past October, this LP, their RCA Records debut, has catapulted them even higher.

Trevor Terndrup (vocals, guitarist), **Spencer Thomson** (guitarist and producer), **Wes Bailey** (keyboardist), **Tommy Putnam** (bassist) and **Tyler Ritter** (drummer) also recently kicked off their **Let The Record Play** tour and are following it up with performances at Bonnaroo in June and Sloss Fest in July.
