## *JOYRIDE*

### **13 TRACK SOPHOMORE ALBUM FEATURES OFFSET, FUTURE, FRENCH MONTANA, TY DOLLA \$IGN, AND LITTLE DRAGON!**

**April 13, 2018 – New York, NY** – The highly anticipated sophomore album from singer, songwriter, producer and performer, **Tinashe**, is finally here. *Joyride* is Tinashe's sophomore album released with RCA Records and features 13 tracks including previously released tracks **"No Drama"** featuring **Offset**, **"Faded Love"** featuring **Future** and **"Me So Bad"** featuring **French Montana and Ty Dolla \$ign**.

The album is a melodic overview of Tinashe's discography, from her pop-influenced singles to the moodiness of previous mixtapes like *Nightride* and *Amethyst* all while spotlighting her production and songwriting talent. Where title track "Joyride" introduces the album with fervor and hunger, the Little Dragon assisted "Stuck With Me" breaks in between; keeping the listener guessing on what's to come next. Frequently labelled as a triple-threat, the young 25 year old syncs her lyrics with some of the

industry's biggest stars to make *Joyride* the total package... and one of her most exciting bodies of work yet.

### **ABOUT TINASHE**

Co-mingling seductive R&B, edgy pop, and a nocturnal electronic sensibility, Los Angeles, CA based Tinashe emerged as a fascinating, focused, and fiery outlier in 2014 with her full-length debut *Aquarius*. Powered by the double-platinum smash "2 On" [feat. Schoolboy Q], the album crashed the Top 20 of the *Billboard* Top 200 upon arrival before popping up on year-end lists by *Pitchfork*, *Rolling Stone*, *Cosmopolitan*, *Stereogum*, *The Guardian*, *Vulture*, and so many more. Between touring alongside everyone from Katy Perry and Nicki Minaj to Maroon 5, she revved up the official mixtape *Nightride*. *Rolling Stone* and *Fuse* both proclaimed it among the "20 Best R&B Albums of 2016." Along the way, she graced the covers of *Complex*, *V*, *Dazed*, and *Nylon* in addition to turning up with unforgettable performances on *The Tonight Show Starring Jimmy Fallon*, *Conan*, and *Jimmy Kimmel LIVE!* Tinashe's rise to conquer the industry has been limitless and an exciting one. Not bound by anyone's box or idea of who and what Tinashe means, she embraces the gray area and continue to prepare the next chapter of her story with the release of her sophomore album.

Buckle up for a *Joyride*...
