**FIRST ENGLISH LANGUAGE SINGLE SINCE 2014'S WORLWIDE SMASH HIT SINGLE
"BAILANDO" FT. SEAN PAUL**

(New York, New York – May 3, 2018) – Enrique Iglesias is back with their new English language single "Move To Miami" feat. Pitbull today via RCA Records (Click [here](#) to listen). The track marks Enrique's first official English language single since 2014's worldwide hit "Bailando" ft. Sean Paul.

"Move To Miami" was produced by Nitti Gritti, Wuki and J.R. Rotem.

Enrique continues to sell our arenas all over the world with stops in Czech Republic, Greece, Slovenia, Russia, United Kingdom, Las Vegas and more (see tour dates below).

ABOUT ENRIQUE

Enrique Iglesias has sold more than 150 million albums worldwide, released ten studio albums plus two greatest hits compilations, and is a multiplatinum artist in almost every country around the world. He has headlined ten world tours to more than 10 million fans throughout his career having performed in literally every corner of the world from New York to Sydney to Cape Town to Minsk to London to Belgrade to Santiago to Mexico among many more.

Undeniably the biggest Latin recording artist in music history, Enrique has 31 #1 singles on the Billboard Latin Songs Chart as well as having multiple #1s across all the Billboard charts with a combined total of 105. On 2017, "Duele El Corazon" got him his 14th #1 Billboard Dance track making him the king of the chart beating out Michael Jackson for the most #1s in Billboard history.

Enrique has been celebrated with just about every award an artist can receive including multiple Grammys, Billboard Awards, World Music Awards, American Music Awards, Premios Juventud, ASCAP and BMI honors and many more totaling over 200. Enrique celebrates his success by helping to create awareness of the incredible work of Save The Children.
