"...ultimately this show was designed to visually woo, and it succeeded mightily. I've seen my share of mammoth pop spectacles — Katy Perry, Taylor Swift and Gaga all come to mind — but this was sheer magic." – *NewJersey.com*

"...while Pink may be one of pop music's biggest stunt queens, she's a consummate singer, performer and showman." – *St. Louis Tribune*

"Employing wires and stage props like a giant, spark-spewing chandelier and deformed street lights that looked as though they'd been lifted from a Picasso painting, Pink and her team essentially repealed the law of gravity for the night." – *Cleveland Plain-Dealer*
