“Ruel is one of our favorite new artists at Apple Music. Dazed & Confused is an important moment for him as he continues to grow. This is just getting started.”– Zane Lowe / Beats 1

[New York, NY – May 31, 2018] Following the release of his latest bluesy-pop gem “**Dazed & Confused**,” 15-year-old multi-instrumentalist, singer-songwriter **Ruel** unveils his official music video for the single, which *Time Magazine* described as “*moody pop magic*.” The video, which was directed by **Grey Ghost**, incorporates gritty DIY video-style, behind-the-scenes footage alongside the picturesque and cinematic landscape of Melbourne, Australia, where the video was shot on-location.

“**Dazed & Confused**” continues to soar in streams worldwide, having been included in **19 New Music Friday** playlists on **Spotify** upon release (5 of which were in the top 10), the single has amassed 2.3 million streams, currently sits on 90+ playlists and has received more than 250k plays on YouTube.

“**Dazed & Confused**” is now available across all digital platforms and is taken from **Ruel**'s highly anticipated debut EP **READY** to be released on **June 15th** via **RCA Records**. Produced by **Ruel**'s good friend, mentor and collaborator **M-Phazes** (Eminem, Logic, Kimbra, Zara Larsson, KYLE), the man behind **Ruel**'s previous singles “**Don't Tell Me**” and the debut smash “**Golden Years**,” the **READY** EP is available to [PRE-ORDER](#) now and features 3 previously unheard tracks that are set to hook any music lover upon first listen.

Compared to the likes of **Frank Ocean** and **James Blake** by **NYLON Magazine**, 15-year-old London born, Australian raised artist was introduced to soul, blues, and jazz by his music-loving father, and counts **Stevie Wonder**, **Dave Brubeck** and **Amy Winehouse** as major musical influences growing up. After picking up and learning to play the guitar at 8 years old, **Ruel** started to write songs of his own, drawing inspiration from the aforementioned groundbreaking acts. Drawing from his own experiences as a teenage boy, **Ruel** explains “all my songs are about personal experiences. Songwriting helps me get through things, feelings that I don't understand myself. When I write about something, it helps me figure it out in the process. But I want people of all ages, whether they're 15 or 50, to be able to relate to my songs.”

“**Dazed & Confused**” is out now worldwide.

Ruel's **READY** EP drops worldwide on June 15th via **RCA Records**.
