[New York, NY – June 18, 2018] Having just completed his **sold-out Spring tour** in early April, **Grammy Award-winning** singer/songwriter **Miguel** announces that he will embark on a **North American tour** this Fall in support of his critically praised fourth studio album, **War & Leisure**. The **26 date tour** kicks off on **August 23rd** in Boston, Massachusetts, hitting major markets in the **US** and **Canada** throughout August and September, including festival appearances at **AFROPUNK** in **Brooklyn**, **North Coast Music Festival** in **Chicago**, and **Life is Beautiful Festival** in **Las Vegas**, concluding on September 28th in Seattle, Washington. **OVO's dvsn** will provide support and join Miguel for all North American dates. **Citi Card member pre-sales** begin on **Tuesday, June 19th** at **10AM** local time, **general tickets go on sale June 22nd, 10AM local time** - check www.officialmiguel.com for more info.

Over the weekend Miguel performed to an elated crowd of hometown fans at the **Smokin Grooves Festival** and on June 24th he will be performing live at the **BET Awards**. In July, Miguel will be appearing at **Essence Music Festival** in New Orleans, LA, **NeYo** in Houston and at **Austin City Limits Live**, also making his Austin City Limits Live taping debut. Last week, Miguel teamed up with **GoldLink** to release

new track **"Got Friends"** and to celebrate the initiation of the **2018 World Cup**, Miguel narrated and starred in the new **Major League Soccer ad campaign "Our Soccer"**.

"Sky Walker," Miguel's lead single off of *War & Leisure*, reached **#1 on the Rhythmic and Urban radio charts** and has been **certified Platinum by the RIAA**, making it one of the fastest rising hits of the year. At the beginning of March, Miguel released a new version of **"Sky Walker" in Spanish**, and teased the upcoming release of new Spanish language versions of some of the prominent singles and album tracks from *War & Leisure*. Adding to the highlights of the first half of 2018, Miguel joined Mexican pop singer **Natalie Lafourcade** at the **90th Academy Awards** to perform the **Oscar and Golden Globe award winning Best Original Song "Remember Me"** from the critically acclaimed Pixar film **Coco**. Continuing with his newfound soundtrack success, Miguel also makes an appearance on the soundtrack for the remake of the iconic 1972 film **Superfly** with his new song **"R.A.N"**. The soundtrack was co-produced and curated by Future.

War & Leisure has continued to grow in 2018; Miguel performed a solo rendition of the J. Cole featured album highlight **"Come Through and Chill"** on **The Tonight Show Starring Jimmy Fallon** in April – [click here to watch](#). Since *War & Leisure*, Miguel has partnered with Norwegian producer sensation **Kygo** on Billboard Dance/Electronic top charting single **"Remind Me to Forget,"** which the pair performed on *The Tonight Show Starring Jimmy Fallon* in May.

Miguel and LA based alternative Latino rock band Chicano Batman recently partnered up with mitú for its TÚGETHER series. In the series, they borrow ingredients from their hits to create a genre-bending bilingual duet performance and collaborative effort of "Sky Walker" and "Black Lipstick" - [click here to watch](#).

PRESS ON WAR & LEISURE

"As much as *War & Leisure* is about desire, it's also a reflection of this woke moment, a statement about seeking refuge from the world in the comforts of love." - **TIME**

"On *War & Leisure*, he sounds unconflicted and ready to rumble. The freedom he promises his lovers in his music extends to himself, and he's better than ever at just letting go." - **PITCHFORK**

"Miguel cements his status as the ultimate mixer of R&B, funk, electronic, pop and rock with this latest record, perhaps his most dynamic and upbeat album yet." - **PAPER**

"It's an equal parts stirring and uplifting message, showing an artist who is unafraid to use his voice as he continues to evolve." - **USA TODAY**

"His voice, particularly when drowsily tossing out raps or soaring in its upper mid-range, is a beautiful instrument that always ties the groove together." - **THE GUARDIAN**
