Produced by London, the track features his signature piano melodies over bouncy beats, while Young Thug, Ty Dolla \$ign and YG offer standout verses that blend their individual sounds, and Jeremih and Ty Dolla \$ign trade off covering the hook.

London also releases today the accompanying video to the track. Shot in Los Angeles, the video features London, Thug, Ty, Jeremih and YG all vying for a promotion at their company, “WYO Technologies.” Thug, Ty and Jeremih are all unbothered and believe they will earn the promotion with ease, leaving the competition to YG and London, who both create presentations to impress their boss.
