The trap-inspired track was co-written by **Stargate, Jason “Poo Bear” Boyd** (Justin Bieber, Usher, Chris Brown), **PARTYNEXTDOOR, 21 Savage, Murda Beatz** and **Sir Nolan** and is produced by **Stargate** and **Murda Beatz** (Migos, Drake, Zayn) and co-produced by **Sir Nolan** (Pitbull, Fifth Harmony, Nick Jonas). “1Night” marks Stargate’s first time collaborating with all of these artists together.

“1Night” is the follow-up to Stargate’s debut single as a recording artist, “Waterfall” ft. Sia and P!nk, which was released last year to great critical reaction. The track has been streamed over 135 million times worldwide to date. [Click here](#) to watch the video.

Stargate has written and produced major records for Beyoncé, Rihanna and Coldplay to name a few, and will feature some of their favorite artists on their forthcoming music.

As lifelong fans of American popular culture, Stargate has created their own sound drawing equal inspiration from hip-hop, electronic music and classic Scandinavian songwriting. They’ve been early pioneers in erasing the boundaries between electronic dance music and hip-hop, and have become a mainstay of today’s worldwide musical landscape.

Stargate’s massive hit parade of chart topping singles and albums was recently spotlighted in *Entertainment Weekly*. Click [HERE](#) to read the story now.

LA-based Stargate will surprise, excite and inspire both existing and new fans through their own new forthcoming music, which will feature new, up and coming artists, as well as some of today's biggest superstars.
