About Sasha Sloan

After emerging last fall writing and appearing on several high-profile collaborations, Sasha Sloan released her debut single “Ready Yet” (Click [HERE](#) to watch the music video), which has amassed over 16 million streams on Spotify alone. Since then, she has established herself as an artist to watch as she continues to release emotionally-rich, left-of-center pop. “Normal,” her first release of 2018, has been heralded by Billboard as a “catchy introvert anthem,” and CLASH praised about the track, “*That fusion of light and shade has rarely been so powerful, with ‘Normal’ tapping into that alienated adolescence who exists inside each and every one of us... ‘Normal’ finds Sasha Sloan casually stating her brilliance.*” Both “Ready Yet” and “Normal” are among the six tracks featured on Sasha’s debut ep, *sad girl*, which is out now.
