The official video for track “Younger” released in August ([WATCH HERE](#)) was directed by **Grey Ghost**. The video is intended as a short film and explores what it means to choose your path early on in life. *“The storyline in the 'Younger' video isn't a direct reinterpretation of the lyrics -- so instead of it being about you and your mate choosing different paths over time, it's about choosing your own path,”* **Ruel** told **Billboard Magazine**.

“**Younger**” is the third official release taken from 15-year-old London-born, Australian-raised **Ruel's** incredible debut EP “**Ready.**” Available on all digital platforms worldwide, the 6-track EP was produced by **Ruel's** good friend, mentor and collaborator **M-Phazes** (Eminem, Logic, Kimbra, Zara Larsson, KYLE) and includes previously released standouts, “**Don't Tell Me,**” and “**Dazed & Confused,**” which had **PAPER Magazine** praising it for its “*million-dollar chorus*” and “*slow-burning beat sure to lodge itself in your prefrontal cortex,*” and **TIME Magazine** drawing comparisons “*in the vein of Purpose-era Justin Bieber's most mature and earworm-ready hits,*” adding “*Dazed and Confused*” stands apart by *drawing on blues and R&B for added depth.*”

After picking up and learning to play the guitar at 8 years old, **Ruel** started to write songs of his own, drawing inspiration from Amy Winehouse, **Stevie Wonder, Dave Brubeck, Frank Ocean and James Blake**. Drawing from his own experiences as a teenager, **Ruel** explains “*all my songs are about personal experiences. Songwriting helps me get through things, feelings that I don't understand myself. When I write about something, it helps me figure it out in the process. But I want people of all ages, whether they're 15 or 50, to be able to relate to my songs.*”

Ruel's "Ready" EP is out now via RCA Records.

"If you're looking for someone to fill the young-pop-prodigy gap in your playlist, look no further than Ruel."

- *TIME Magazine*

"Ruel is the 15-year-old wunderkind your playlist is missing"

- *NYLON Magazine*
