Khalid, who just won the American Music Award for Favorite Male Artist – Soul/R&B, is currently in the studio working on his highly anticipated sophomore album (due out early 2019). Inspired by a recent trip to his home of El Paso, TX, (AKA the “Sun City”) where he received the Key to the City, had a day named in his honor, performed two sold out hometown shows, “Suncity” marks the beginning of a new era.

Says Khalid, *“More than anything in life right now I want growth. I want my music to grow and represent how I am growing up. “Suncity” is the start of a new era for me, this music poured out of me and I didn’t want to wait to share it. I wanted to be able to live in this moment with my fans and my friends and speak from the heart.”*

Suncity includes Khalid’s recently released single “Better” which Billboard called a “sensual single” and PAPER Magazine praised, *“Few things sound better than Khalid’s silken vocals over an easy throwback track that sounds just as at home in the ‘90s and it does today.”*

The album, which garnered Khalid 5 Grammy nominations (along with numerous American Music Award, Billboard Music Award, BET Award, VMA Award, Teen Choice Award, Billboard nominations) received mass critical acclaim with Rolling Stone calling Khalid a "pop prodigy" and TIME Magazine stating, "His thoughtful, relatable reflections on modern youth culture and the limitations of love are just as pitch-perfect as his soulful, measured delivery." *American Teen* shattered expectations, as it stayed in the Top 200 for 51 weeks, peaked at #4, and stayed in the Top 20 for 48 out of the 51 weeks it was in the Top 200.
