THIRD STUDIO ALBUM ***JUBILEE ROAD*** SET FOR RELEASE
OCTOBER 26 VIA RCA RECORDS

(NEW YORK, NY – October 5, 2018) –Today, Tom Odell releases a brand new track and accompanying live performance video for “You’re Gonna Break My Heart Tonight,” featured on Odell’s forthcoming third studio album ***Jubilee Road***. The album is set for release October 26th via RCA Records. Watch the live performance [HERE](#). Buy/Stream the album track [HERE](#).

Although the album title may be a fictional street name, ***Jubilee Road*** may well be Odell’s most honest and personal album, thus far. Packed with his signature melodies and ebullient performances, ***Jubilee Road*** documents real life stories of the time Tom spent living in a house in East London. While only 27 years old, ***Jubilee Road*** may well be a career-defining record for Odell, which sees the multi-talented young artist take full control of his music, not only writing, singing, and vamping up his vibrant piano style on all ten songs, but also self-producing them.

Speaking about the album Tom says: *“I wrote this album in a house on a quiet terraced street in East London. The lyrics are inspired by the lives of the friends I made whilst living there. I recorded most the songs in the living room of the house and if I listen back closely, I can still hear the sound of the old man’s television shows coming through the walls from next door, the kids from the house opposite playing football in the street below and the sound of my girlfriend’s footsteps on the wooden floorboards above. I don’t live there anymore, my life has changed somewhat, but I will always remember the time fondly and I hope you enjoy listening to the album as much as I did making it”.*

Tom just wrapped his U.S. tour run performing to sold out audiences and will be kicking off his European tour next week. Visit www.tomodell.com for more information.
