Late Night Feelings will feature collaborations with a diverse range of artists including Camila Cabello, Alicia Keys, YEBBA, Angel Olson, King Princess, The Last Artful, Dodgr, Diana Gordon, and Ilsey.

Mark has described this album as a collection of "sad bangers," and the single, like much of the album, is emotionally complex and personal. "Late Night Feelings" feat. Lykke Li boasts an addictive chorus and was written by Mark Ronson, Ilsey Juber, Lykke Li and Stephen Kozmeniuk. The single was produced by Mark and co-produced by the Picard Brothers at Zelig Studios in LA.

The second single is a follow up to 2018's global smash "Nothing Breaks Like A Heart" feat. Miley Cyrus, the platinum certified track has garnered 332 million streams worldwide and over 100 million video views.

The new album comes after a landmark year for Ronson, winning an Academy Award, Golden Globe and Grammy Award for his work with Lady Gaga on "Shallow" from *A Star Is Born*.

Coinciding with the release of new music, Mark has been DJing at pop-up parties, dubbed Club Heartbreak, a reflection of the new music to come.

Mark Ronson will make history by becoming the first artist to release an album in 5 formats simultaneously. *Late Night Feelings* will be available on CD, vinyl, cassette, and limited editions of 8 track and mini disc – the latter two available only on Mark's website.
