[New York, NY – August 8, 2019] After announcing their fifth studio album and sharing their first new song of the year, American boyband **BROCKHAMPTON** returns with another new song and music video. **"IF YOU PRAY RIGHT"** is the second taste of their forthcoming album **GINGER** and is

accompanied by a surreal Kevin Abstract-directed visual. The song follows last week's release "I BEEN BORN AGAIN" that came with a Spencer Ford-directed [video](#).

Earlier this year, the boyband made a triumphant return to the stage at [Governor's Ball](#) which launched a run of summer festival dates. This spring saw the release of Kevin Abstract's critically acclaimed solo album *ARIZONA BABY*. Following the album's release, the group's founder discussed his art, personal growth, and the future of BROCKHAMPTON in GQ's first ever Pride digital [cover story](#).

*GINGER* is the next chapter of BROCKHAMPTON's rapid rise over the last two years. Following the release of their first 3 studio albums in 2017, the boyband's first major label album, *iridescence*, debuted at #1 on the Billboard 200 and R&B/Hip-Hop charts last year. The group also toured the globe extensively in 2018, including a run of 5-star reviewed, sold-out European tour dates, a sold-out tour of Australia and New Zealand, and a wildly successful North American tour to close out the year that included raucous festival sets at Austin City Limits and Tyler, The Creator's Camp Flog Gnaw.
