What the press is saying about GINGER:

"weird and wonderful genre-buster"

"the best music of their career"

Rolling Stone

"their tightest and potentially most memorable album yet"

Variety

(August 26, 2019) - Right on the heels of the release of their fifth studio album, *GINGER*, BROCKHAMPTON announces a headlining North American tour. The *Heaven Belongs To You* tour will kick off October 26th in Vancouver with stops in Austin, Atlanta and New York before concluding December 13th in Los Angeles. UK rapper slowthai is set to open on all November and December tour dates except for festival stops. Merch pre-sale begins Wednesday at 10 AM PT and general on-sale begins Thursday at 10 AM local time. All tickets are available [here](#).

GINGER arrived last week via Question Everything/RCA Records and includes previously released songs "[NO HALO](#)," "[IF YOU PRAY RIGHT](#)," "[I BEEN BORN AGAIN](#)," and "[BOY BYE](#)." The band celebrated the album with a free special release show in Los Angeles, *FRIDAY THERAPY*, where they performed the album live in full to a packed-out Fonda Theater with special guests Dominic Fike, JPEGMAFIA, Deb Never, and 100 Geecs.

The tour announcement follows the news of their upcoming set at Tyler, The Creator's 8th annual [Camp Flog Gnaw](#) Carnival where they will play alongside Solange, YG, and Tyler himself. Earlier this summer, the boyband made a triumphant return to the stage at [Governor's Ball](#) which launched a run of summer festival dates. This spring saw the release of Kevin Abstract's critically acclaimed solo album *ARIZONA BABY*. Following the album's release, the group's founder discussed his art, personal growth, and the future of BROCKHAMPTON in GQ's first ever Pride digital [cover story](#).

GINGER is the next chapter of BROCKHAMPTON's rapid rise over the last two years. Following the release of their first 3 studio albums in 2017, the boyband's first major label album, *iridescence*, debuted at #1 on the Billboard 200 and R&B/Hip-Hop charts last year. The group also toured the globe extensively in 2018, including a run of 5-star reviewed, sold-out European tour dates, a sold-out tour of Australia and New Zealand, and a successful North American tour highlighted by a sold-out three-night residency at New York's Terminal 5 and a sold-out two-night residency at Los Angeles' The Shrine.

Listen to *GINGER* above, check out upcoming live dates below, and stay tuned for more from BROCKHAMPTON coming soon.
