Hailing from NYC's Harlem neighborhood, rapper A\$AP Ferg launched his debut album *Trap Lord* in 2013, featuring Platinum single "Work" and Gold single "Shabba Ranks" and his follow up album *Always Strive and Prosper* in 2016, featuring Platinum single "New Level." Both showcased an artist unafraid to take his craft to thrilling new places. His latest project, 2017's *Still Striving* mixtape, was no different: it's simultaneously a reflection on Ferg's artistic journey thus far and a project that has its finger on the future's pulse. The mixtape featured his triple platinum single "Plain Jane" among other hits. Ferg's gearing up for a big 2019 with more music and projects in the works. In addition to his music, Ferg continues to reach new heights with his collaborations that include Redline bikes, Adidas, Hennessy and Tiffany & Co.
