About GASHI

A master tunesmith who first broke into the industry as a songwriter, GASHI built a massive following with his impeccable sense of melody and lyrical abilities. Born in Libya but with both parents from Kosovo, GASHI spent much of his young life as a refugee, moving from country to country. His family eventually settled in Brooklyn, where GASHI spent a majority of his teen years. Though his roots are in hip-hop, GASHI has expanded his sonic palette and created a unique sound that sits in between pop, hip-hop, rap, and dance music, breaking out in 2017 with the hit “**Disrespectful**,” which has nearly 60 million streams on Spotify alone.

His follow up tracks “**Creep On Me**” ft. **DJ Snake and French Montana** as well as “**My Year**” ft. **G-Eazy** have garnered over 100 million streams worldwide combined.

With GASHI's upcoming project, the young multi-hyphenate will continue his march to mainstream success.

GASHI is signed to Roc Nation for management.
